Re claims 3 and 6, as pointed out by Applicant on page 8 of Applicant's Amendment, the exhaust passage-defining member (110a, 110b) in Nakayama et al. is disposed above the engine block, which is in contrast to the pending application which claims the exhaust passage-defining member to be under the engine block.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
